PROFESSIONAL EXPERIENCE

Tinpear LLC

Machine Learning Engineer & Full Stack Developer

- Leading the development of an innovative e-learning platform, from architecture to deployment.
- Designed and taught comprehensive Machine Learning and AI courses, making advanced concepts accessible to learners.
- Implemented personalized learning experiences using advanced ML algorithms and data-driven insights.
- Built scalable full-stack solutions with React, Next.js, Node.js, and PostgreSQL, ensuring high performance and reliability.

Stack: React, Next.js, Node.js, Python, TensorFlow, PostgreSQL, Tailwind CSS

Holive Services Inc. | January 2025–June 2025

Web/Mobile Developer

- Architected and developed a comprehensive Fintech platform with both web and mobile applications, ensuring high performance and scalability.
- Mentored junior developers and provided guidance on best practices in modern full-stack development.
- Implemented enterprise-grade solutions, integrating secure payment processing with Paystack API and efficient data handling using Supabase + PostgreSQL.
- Automated workflows and testing pipelines using Jest and GitHub Actions to improve reliability and deployment speed.

Stack: Next.js, React, React-Native, Tailwind CSS, Supabase, PostgreSQL, Paystack API, Jest, GitHub Actions

---

Mihaela Coaching Hub | 2024–2025

Full Stack Developer

- Developed and maintained a modern coaching website, ensuring smooth user experience and scalability.
- Implemented responsive designs with TypeScript for enhanced reliability and maintainability.
- Built secure and efficient backend workflows with PostgreSQL, supporting seamless data management.

Stack: Next.js, React, TypeScript, Tailwind CSS, PostgreSQL

1

Mukadaz Labs | 2023

Frontend Developer

- Designed and developed the official company website to showcase IT strategy and digital transformation services.
- Built a modern, responsive, and SEO-optimized website, improving visibility and user engagement.
- Implemented clean, performant UI with Astro and Tailwind CSS, ensuring fast load times and mobile-friendly experience.
- Enhanced brand presence through effective digital strategy integration and technical consulting support.

Stack: Astro, Tailwind CSS, JavaScript, Responsive Design, SEO Optimization

EDUCATION

Lagos State University | 2019-2023

Bachelor of Science in Biochemistry

SKILLS

Frontend Development: HTML, CSS, JavaScript, Typescript,, React, Next.js, React-Native, Astrojs, Tailwind CSS, Chakra UI, Material UI

Backend & Databases: Nodejs, Express, Python, PostgreSQL, MongoDB, Supabase, API Integration

Version Control & DevOps: Git, GitHub Actions (CI/CD), Debugging, Testing (Jest)

AI & Machine Learning: AI Integration, TensorFlow

CERTIFICATES

Ethical Hacking, Cybersec | 2025
Cybrary

Machine Learning with Python | 2025
FreeCodeCamp

Gemini API by Google | 2024
Udacity

Backend Development and API | 2024
FreeCodeCamp

Cloud Computing | 2024
FGN-ALAT

Cybersecurity | 2022
The Open University
